I. Abstract

This notice covers two forms used by the Department of Commerce in collecting information regarding complaints of discrimination. The first form will be used by permanent employees and applicants for employment at the Department of Commerce. The second form is already in use under an OMB emergency approval. It will be used solely by temporary employees and applicants for temporary employment with the Bureau of the Census during its Decennial operations. Both forms will be used for

This determination needs to be done in a timely and efficient manner in order to meet the regulatory time frames established by the Equal Employment Opportunities Commission (EEOC).
